### The roles

- Processing of customer sales
- Stock Maintenance including rolling Stocktakes, gap scans
- Merchandising
- Maintain Price Tickets and store standards
- Customer Service, proactively approach customers in store, engaging with customers, providing expert advice on product and service

### Does this sound like you?

- Excellent customer service skills
- Loads of energy, proactive with a 'can do' attitude
- Team player with good communication and interpersonal skill
- Experience in retail
- Experience in postal services, not essential as we will provide training
- Good verbal and written English
- Fit and able to lift heavy items
- Safety conscious, maintain tidy work areas
- Attention to detail
- Flexibility and availability to work roster Monday to Saturday
- A current Australian driver's license

### Benefits

- Career support
- Significant staff discounts on offer
- Be rewarded with a good work life balance
- Ongoing training to help grow & develop
